

CEGEDIM TO ATTEND APEC'S SALON EUROPÉEN DE L'INGÉNIEUR

**3 JUNE 2008 - CNIT PARIS LA DÉFENSE
HALL PIERRE & MARIE CURIE - STAND B71**

Paris, 27 May 2008 – - Cegedim, the world leader in CRM solutions for the pharmaceutical industry, will attend the “Salon Européen de l'Ingénieur” job fair organized by APEC on 3 June. The event will take place in the CNIT building in Paris La Défense and will give Cegedim Group a chance to meet young graduates and present its wide array of activities.

Organized by APEC, the “Salon Européen de l'Ingénieur” is open to recent engineering graduates and those with some professional experience. This job fair will give them an opportunity to meet recruiters from over 122 companies with job offerings in France and Europe. Participants will also be able to attend workshops and receive personalized advice from APEC consultants.

Cegedim plans nearly 500 recruitments in 2008

Cegedim Group has grown by leaps and bounds since its creation and now employs a staff of 8,000 around the world (80 countries). To manage its development in France and abroad and in keeping with its active recruiting policy, Cegedim will attend for the second time the “Salon Européen de l'Ingénieur” career fair organized by APEC.

The company will use this platform to present its various activities and will have two rooms set aside for private interviews. With its 100 subsidiaries, Cegedim Group hopes to attract applicants with training in IT, R&D and infrastructure (consultants, project managers, domain managers, architects, research and development engineers, technical sales engineers, etc.).

At the forefront of technology, Cegedim offers its clients – pharmaceutical companies, healthcare professionals, health insurance entities and corporations - solutions that combine innovation et service quality.

Cegedim develops its solutions using the most advanced architectures and technologies - Java (J2EE, Flex, Struts, Hibernate), Linux, ETL Informatica, Oracle 11g, Macromedia Flex, J2EE application servers, ESB urbanization, framework.NET, C# and structures its projects around the CMMI process et ITIL standard.

“We have such a rich array of businesses and such a diversity of activities that we can offer today’s applicants real career opportunities in France and abroad in a company that has managed to retain its human scale,” emphasizes Chantal Perusat, Cegedim Group’s HR Director.
