

Press Release

When the actors of corporate finance gather to honor their Leaders...

**We are very pleased to announce
that the financial department of Cegedim has been awarded
Gold Trophy « Financial Department – sector services »
during the 1st edition of the TROPHÉES LEADERS DE LA FINANCE**

On Thursday 12th May 2011, the Trophées Leaders de la Finance were attended by more than 400 CFOs, CEOs, business bankers, head of large international and French corporate investment banks and financial experts and specialized journalists.

This ceremony was the opportunity to discover and meet the Leaders of corporate finance in France.

Indeed, three categories of professionals were awarded: the best financial directors and departments, the best corporate & investment banks and the best financial consultants.

Thanks to the expertise of our jury composed mainly of CEOs and CFOs of large groups such as Nestlé, Altran, PSA Peugeot Citroën, Yoplait, Technicolor, Sephora, Groupe Casino, EADS, PAI Partners or Spotless, the Trophées Leaders de la Finance recognize the teams who are the best considering the three criteria : long term excellence, last year operations and creativity and innovation.

This event honors and acknowledges the work of the best performers in corporate Finance who, by their leadership and inspiration, represent a profession of excellence.

Cegedim's team was called on stage to receive a Gold Award, recognizing its status of leader of the market.

Cegedim was awarded due to its high growth in turnover in the last few years with an excellent accompanying of the financial department, its setting up and improvements of the directing tools, its strategic acquisitions in the USA and its high quality work in auditing.
